**Subject:** Hoosick Falls PFOA sampling results

Nidal,

As discussed, I have included the results as well as a summary table of PFOA sampling conducted by the NYSDOH in Hoosick Falls, NY. As you will see from the table, 3 samples were collected from private wells outside of Hoosick Falls as controls. Please let me know if you have questions or if you would like to discuss the results further.

Regards,  
Justin
